Introduction
This page presents a summary of results of the annual Next Step survey for Mitchelton Special School. The Next Step survey, undertaken by the Queensland Government, targets all students who completed Year 12 and gained a Senior Statement in 2013, whether they attended a government, Catholic or independent school, or a TAFE secondary college. The Queensland Government Statistician’s Office conducted the survey between March and June 2014, approximately six months after the young people left school. Responses were collected via computer-assisted telephone interviewing and an online survey.
Statewide and regional reports from the Next Step survey will be available on the Next Step website in September 2014 at www.education.qld.gov.au/nextstep.
